

Metamora Park District

Five-Year Plan

Fiscal Years 2023-2028

- **Pickleball Court** – Pinpoint the park and area within the park that would best fit a pickleball court, then install.
- **Basketball Court** – Install a basketball court at Black Partridge Park.
- **Frisbee Golf Course** – Map out a frisbee golf course at Black Partridge Park and implement the design.
- **Water at the Dog Park** – Install a drinking station to provide easily accessible water.
- **Sport Lighting at Black Partridge** – Work together with sports organizations to get lighting installed at Black Partridge Park to help extend play time.
- **Signage at Black Partridge** – Ensure the entrance and exit sides of the road at Black Partridge are clearly marked by signs at the front of the park.
- **Walking paths at Black Partridge** – Explore where walking paths would be most utilized at Black Partridge Park – *around the dog park, leading to the bathrooms, etc.*
- **Increase Office Space** – Build a Park District building to allow for increased office space and space to expand classes offered by the Park District.
- **Recreation Facility** – Work with the Village of Metamora and the schools to explore the idea of a recreational facility.
- **Bathrooms at Brighton Park** – Explore options for bathroom facilities at Brighton Park.

- **Create QR Code Trail Stickers** – These would be placed at trail markers for individuals to scan and see their location on the trail map.
- **ADA Compliance** – Work towards making multiple parks ADA compliant.
- **Grant Exploration** – Continue searching for grants to help fund projects at the parks.
- **Playground Equipment** – Replace playground equipment as necessary to ensure parks are providing a safe and fun environment.
- **MPD Boundary Expansion** – Work with Ancel and Glink to continue expanding the taxpaying body of the Metamora Park District.
- **Enhance Communication** – Improve lines of communication with the community by exploring text messaging and email listings.
