

Job Opening

The Metamora Park District is currently taking applications for the position of ballfield maintenance. This is a seasonal position that begins in the middle to late April and ends for the season in early to mid-July. The specifics are as follows:

Position Details

- Nail and chain drag infield
- Ensure there is little to no weed growth on infield
- Prep fields for baseball/softball games by dragging and lining
- Make supervisor aware of any issues found with the field
- Other related duties as assigned by the Executive Director

Requirements

- 16 years of age or older with a valid driver's license
- Able to lift at least 50 pounds
- Ability to operate a gator for purposes of dragging fields and getting from one park to another
- Be available during the above listed timeframe, as there is only one ballfield maintenance individual for the season

Prior experience is not necessary, as there will be training provided

Apply Now!

Please turn in an employment application and background check waiver to the Park District either by email to director@metamoraparks.org or by mail addressed to: Metamora Park District, PO Box 633, Metamora, IL 61548.

The application deadline for this position is Thursday, April 4th, 2024.
